### Applications deadline July 1st

Payment may be sent ahead of time along with tuition payments or you may pay at the registration table upon arrival to camp. **All payments are non-refundable** regardless of if you cancel the exams.

Dancers must perform 40 bars (2.5 steps) of each dance. Please note that the exams are designed to build on each other and are not based on competition level; therefore, dancers should perform basic steps in grades 1, 2 and 3 regardless of competition status. (For example, even though a dancer is open championship, at Grade 1 they should perform their school's beginner reel instead of their typical competition steps).

Grade exams are separate from competition and do not count towards moving up competitively at a subsequent feis. PLEASE NOTE: kindly ask your teachers before registering to ensure you are eligible to take grade exams while at CRC, especially if you have taken grade exams in the past.

Campers **WILL NOT be wearing their competitive dance costumes**, but instead asked to wear black bottoms, CRC camp T-shirt (which is provided first day of camp and is included in camp tuition) and poodle socks. **Wigs and costume hair attire is NOT permitted.**
